

2009 Accountability Rating System

Districts and Campuses That Have Been *Academically Unacceptable* for One or More Consecutive Years

Districts and campuses rated *Academically Unacceptable* or *AEA: Academically Unacceptable* face certain requirements and possible interventions from the state. These interventions aim to increase student performance, improve planning at the school and district level, and improve data analysis and data integrity at the district level.

The following pages list districts and campuses that have been *Academically Unacceptable* (AU) for one or more years. Note that consecutive years of AU ratings for this list are not broken by years with a status of *Not Rated*.

An exception applies to charter operators or campuses that receive a rating of *AEA: Not Rated – Other* under the Alternative Education Accountability (AEA) Residential Facility procedures. For these residential facilities, *Academically Unacceptable* ratings separated by *AEA: Not Rated – Other* are not considered consecutive.

For more detailed information about the determination of multi-year AU status, refer to *Chapter 16 – Responsibilities and Consequences* of the *2009 Accountability Manual*, available at

<http://ritter.tea.state.tx.us/perfreport/account/2009/manual/index.html>

Required levels of intervention are determined based on the requirements of Texas Education Code (TEC), Chapter 39. For more information go to the Division of Program Monitoring and Interventions website at:

<http://ritter.tea.state.tx.us/pmi/accmon/2009/index.html>
