AADD Indicators by Campus Level and Subject – Sorted by Number of Indicators Evaluated

AADD Indicator	High School	Middle School	Junior High	Elementary	K-8	K-12
3. College readiness assessments	ELA and Math	ELA and Math	ELA and Math		ELA and Math	ELA and Math
14. Teachers teaching outside field	ELA and Math	ELA and Math	ELA and Math		ELA and Math (G 7-8 only)	ELA and Math (G 7-12 only)
10. Grade 8 Algebra I & English I		ELA and Math	ELA and Math		ELA and Math	ELA and Math
6. SAT/ACT participation & performance	ELA and Math					ELA and Math
7. AP/IB participation & performance and advanced/dual enrollment course completion	ELA and Math					ELA and Math
2. Greater than expected student growth (2014)	ELA and Math	ELA and Math	ELA and Math	ELA and Math	ELA and Math	ELA and Math
9. Grade 5 Mathematics		Math	Math	Math	Math	Math
1. Algebra by end of Grade 8		Math	Math		Math	Math
8. Grade 3 Reading				Reading/ELA	Reading/ELA	Reading/ELA
15. Attendance rate	Not Subject Specific	Not Subject Specific	Not Subject Specific	Not Subject Specific	Not Subject Specific	Not Subject Specific
12. Head Start & PK participation				Not Subject Specific	Not Subject Specific	Not Subject Specific
4. Students in higher education following HS	Not Subject Specific					Not Subject Specific
16. Students receiving 2- or 4-year degrees	Not Subject Specific					Not Subject Specific
5. Remedial course participation in higher education	Not Subject Specific					Not Subject Specific
11. Teacher turnover rate	Data are not available at the campus level.					
13. Parent involvement	Data are not available at the campus level.					
17. Chamber of Commerce financial aid	Data are not available at the campus level.					

Reading/ELA = indicator can be evaluated for Reading/English Language Arts only;   **Math** = indicator can be evaluated for Mathematics only; **ELA and Math**= indicator can be evaluated separately for both Reading/ELA and Mathematics; **Not Subject Specific** = indicator cannot be directly associated with either Reading/ELA or Mathematics;   **blank** = indicator is not applicable at this campus level
