

SCENARIOS FOR INCLUSION OF EOC RESULTS IN 2014 INDEX 4 STAAR COMPONENT

Students Who Do Not Change Campuses within the 2014 Accountability Cycle

Scenario 1:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus A	Fall 2013	Spring 2014
		CAMPUS A			CAMPUS A
	Subject 1	<i>(r) Algebra I = Final Level II</i>			
	Subject 2			<i>(r) Biology = Phase-in 1 Level II</i>	
	Subject 3			<i>(1st) U.S. History = Final Level II</i>	

Note: (1st) = First-time tester in 2014 accountability cycle, (r) = Tested prior to the 2014 accountability cycle

One subject is included in Index 4: Social Studies

Algebra I: Not included in Campus A (not tested for the first time within the 2014 accountability cycle).

Biology: Not included in Campus A (not tested for the first time within the 2014 accountability cycle).

U.S. History: Included in Campus A (tested for the first time in 2014 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus A).

Scenario 2:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus A	Fall 2013	Spring 2014
		CAMPUS A			CAMPUS A
	Subject 1	<i>(1st) Eng I Reading = Final Level II</i>			<i>(1st) Eng I (Combined) = Phase-in 1 Level II</i>
	Subject 2	<i>(1st) Eng I Writing = Level I (fail)</i>		<i>(r) Eng I Writing = Level I (fail)</i>	
	Subject 3			<i>(1st) U.S. History = Final Level II</i>	

Two subjects are included in Index 4: Reading/English Language Arts (ELA) and Social Studies

English I Reading/English I (Combined): Included in Campus A (tested for the first time within the 2014 accountability cycle and met accountability subset).

English I Writing: Not Included in Campus A (English I Writing results are not evaluated in the 2014 accountability cycle.)

U.S. History: Included in Campus A (tested for the first time in 2014 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on two subjects for Campus A). Note that the final Level II score on the English I Reading test in summer 2013 was the best result for reading/ELA in the 2014 accountability cycle.

Scenario 3:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus A	Fall 2013	Spring 2014
		CAMPUS A			CAMPUS A
	Subject 1	<i>(r) Eng I Reading = Final Level II</i>			<i>(1st) Eng I Combined = Phase-in 1 Level II</i>
	Subject 2	<i>(r) Eng I Writing = Level I (fail)</i>		<i>(r) Eng I Writing = Level I (fail)</i>	
	Subject 3			<i>(1st) U.S. History = Final Level II</i>	

One subject is included in Index 4: Social Studies

English I Reading/English I (Combined): Not included in Campus A (not tested for the first time within the 2014 accountability cycle, since the English I reading test in summer 2013 was a retest).

English I Writing: Not Included in Campus A (English I Writing results are not evaluated in the 2014 accountability cycle.)

U.S. History: Included in Campus A (tested for the first time in 2014 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus A).

Students Who Change Campuses One Time during the 2014 Accountability Cycle

Scenario 4:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus B	Fall 2013	Spring 2014
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Final Level II</i>		No retest taken	No retest taken
	Subject 2	<i>(1st) Biology = Final Level II</i>		No retest taken	No retest taken

Two subjects are included in Index 4: Mathematics and Science

Algebra I: Included in Campus A (tested for the first time within the 2014 accountability cycle and met accountability subset.)

Biology: Included in Campus A (tested for the first time within the 2014 accountability cycle and met accountability subset.)

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on two subjects for Campus A).

Scenario 5:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus B	Fall 2013	Spring 2014
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(1st) Algebra I = Level I (fail)</i>		<i>(r) Algebra I = Final Level II</i>	No retest taken
	Subject 2	<i>(1st) Biology = Level I (fail)</i>		No retest taken	No retest taken

One subject is included in Index 4: Mathematics

Algebra I: Included in Campus B (tested for the first time within the 2014 accountability cycle, best test at Campus B, and met accountability subset).

Biology: Not included in Campus A (tested for the first time within the 2014 accountability cycle, however, the campus with the most recent test result, Campus B, is included in Index 4).

Final Outcome: The student is counted in the STAAR results for Campus B and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus B).

Scenario 6:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus B	Fall 2013	Spring 2014
		CAMPUS A		CAMPUS B	CAMPUS B
	Subject 1	<i>(r) Algebra I = Level I (fail)</i>		<i>(r) Algebra I = Phase-in 1 Level II</i>	
	Subject 2			No retest taken	<i>Eng II (Combined) = Phase-in 1 Level II</i>

One subject is included in Index 4: Reading/ELA

Algebra I: Not included in either Campus A or Campus B (not tested for the first time within the 2014 accountability cycle).

English II (Combined): Included in Campus B (tested for the first time within the 2014 accountability cycle and met accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B, but did not meet the Postsecondary Readiness Standard (did not score at Final Level II on the one subject included for Campus B).

Scenario 7:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus B	Fall 2013	Spring 2014	
		CAMPUS A			CAMPUS B	
	Subject 1	<i>(1st) Algebra I = Final Level II</i>			No retest taken	No retest taken
	Subject 2				<i>(1st) Eng II Reading = Final Level II</i>	No retest taken
	Subject 3				<i>(1st) U.S. History = Final Level II</i>	

Two subjects are included in Index 4: Reading/ELA and Social Studies

Algebra I: Not included in Campus A (tested for the first time within the 2014 accountability cycle, however, the campus with the most recent test result, Campus B, is included in Index 4).

English II Reading: Included in Campus B (tested for the first time in 2014 accountability cycle and met the accountability subset).

U.S. History: Included in Campus B (tested for the first time in 2014 accountability cycle and met the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B and met the Postsecondary Readiness Standard (achieved Final Level II on two subjects for Campus B).

Scenario 8:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus A	Fall 2013	Spring 2014	
		CAMPUS A			CAMPUS B	
	Subject 1	<i>(1st) Algebra I = Level I (fail)</i>			No retest taken	<i>(r) Algebra I = Final Level II</i>
	Subject 2				<i>(1st) Eng II Reading = Final Level II</i>	No retest taken
	Subject 3				<i>(1st) U.S. History = Final Level II</i>	

One subject is included in Index 4: Reading/ELA

Algebra I: Not included in either Campus A or Campus B (tested for the first time in 2014 accountability cycle, best test result found at Campus B, but did not meet the accountability subset).

English II Reading: Included in Campus A (tested for the first time in 2014 accountability cycle and met the accountability subset).

U.S. History: Not included in Campus B (tested for the first time in 2014 accountability cycle, but did not meet the accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus A and met the Postsecondary Readiness Standard (achieved Final Level II on the one subject included for Campus A).

Students Who Change Campuses More Than One Time During the 2014 Accountability Cycle

Scenario 9:

Fall 2012 Snapshot Campus A	Subjects	Summer 2013	Fall 2013 Snapshot Campus B	Fall 2013	Spring 2014	
		CAMPUS A			CAMPUS B	
	Subject 1	<i>(1st) Algebra I = Level 1 (fail)</i>			No retest taken	<i>(r) Algebra I = Phase-in 1 Level II</i>
	Subject 2				<i>(1st) Eng II Reading = Final Level II</i>	No retest taken
	Subject 3				<i>(1st) U.S. History = Level 1 (fail)</i>	

Two subjects are included in Index 4: Mathematics and Social Studies

Algebra I: Included in Campus B (tested for first time in 2014 accountability cycle, best result was at Campus B and met accountability subset).

English II Reading: Not included in Campus A (tested for the first time in 2014 accountability cycle but did not meet accountability subset).

U.S. History: Included in Campus B (tested for the first time in 2014 accountability cycle and met accountability subset).

Final Outcome: The student is counted in the STAAR results for Campus B but did not meet the Postsecondary Readiness Standard (did not score at Final Level II on two subjects for Campus B).
