- (1) STAAR Progress Measures were not available for 2013 STAAR Modified and STAAR Alternate assessments.
- (2) Index 4 evaluates the Final Level II student passing standards which were required by statute to be included in accountability beginning in 2014.
- (3) STAAR Alternate has no Final Level II equivalent passing standard.
- (4) Index 2 was not evaluated for high schools due to the reduction in STAAR Progress Measures available for EOC assessments in 2014.
- (5) Substitute assessments apply to the Final Level II student performance standard only and progress measures are not calculated.
- (6) *Index 3:* ELL students in their first four years in U.S. schools who take STAAR L are excluded from Index 3;  
*Index 4:* ELL students in their first four years in U.S. schools who take all English version tests are excluded from Index 4.
- (7) STAAR Progress Measures will be calculated for STAAR grades 3-8 reading and grade 7 writing assessments only.
- (8) STAAR A student performance standards for grades 3-8 mathematics are anticipated to be aligned with the STAAR mathematics performance standards.
- (9) STAAR A progress measures for grades 3-8 will be calculated in reading only for eligible STAAR A students who took a STAAR or STAAR L in 2014.
- (10) STAAR Alternate 2 progress measures are not available in 2015.

\* Assessments are included in Index 1 under an option to apply a hold harmless feature to the 2015 accountability rating.
